What is Aviation Academy?

A NATIONALLY RECOGNIZED PROGRAM THAT FOCUSES ON DEVELOPING STUDENTS FOR THE FUTURE OF WORK IN THE AVIATION AND SAFETY INDUSTRY- AWARDED BY SOCIETY OF MANUFACTURED ENGINEERS EDUCATION FOUNDATION (2013).

Benefits of the Program

- Introduces students to high paying career opportunities (\$59k - \$159k)
- Builds transferrable skills needed in the workforce
- Creates hands-on, project-based learning
- Prepares students for certifications
- Integrates Virtual Reality & Artificial Intelligence into the courses
- Opens doors to a variety of Aviation professions
