# Why Take Challenging Classes?

- ▶ Colleges like to see students take honors and advance placement classes.
- ▶ Shows motivation, willingness to work and learn.
- ▶ Your mind works like your body – mental workouts versus physical workouts
- ▶ Heavier weights build up your muscles; heavier courses will build up a student's mind.

# Why Should I Choose College?

# Career Minded

- ▶ 49 of the 50 highest paying jobs require a college degree or higher.
- ▶ 19 of 20 jobs that are about to become extinct employ high school graduates or dropouts.
- ▶ Of the 20 hottest jobs, the highest average salary is:
  - More than \$70,000 for jobs that require a two-or four-year degree.
  - Less than \$30,000 for jobs that require a high school diploma or less.
